STORAGE SYSTEMS

The new Duraline storage system creates a modern, functional open storage solution, which can be used in multiple ways for clothing, books, shoes, gardening stuff and more. The holes in the storage system create the possibility to easily vary in heights. The Duraline storage system has various storage add-ons to create your own customized system assembled with minimal tools. The system has a matt black and matt white finish and is available in a hanging and standing version. Both systems have to be wall mounted.
